

ENVIRONMENTAL IMPACT ASSESSMENT and DEVELOPMENT WORKSHOP – A review of effective EIA delivery

An RTPI West Midlands event in association with the Moore Environment EIA team

Are you dealing with projects that may be subject to EIA?

Do you have questions about the process?

What are the key issues?

Our workshop will:-

- *outline the EIA process and delivery*
- *look at case studies*
- *review specialist topics*
- *provide an expert panel to discuss key issues and answer your questions.*
